Subject: Shoalhaven Starches Modification 17 - Instrument of Modification Edits

Hello Shaun,

Please see my suggested edits to the instrument of modification:

In Schedule 2: Administrative Conditions:

*3. delete Condition 2r) and replace with the following:
r) modification application 06_0228 MOD 17, accompanying Statement of Environmental Effects dated 13 December 2019, prepared by Cowman Stoddart Pty Ltd, Addendum Statement of Environmental Effects ~~and amended plans~~ dated 19 June 2020, ~~and~~ RtS dated 28 July 2020 ~~and the accompanying amended plans (see Appendix 2R).~~*

4. Inserting new Condition 2s) after Condition 2r) as follows:

s) modification application 06_0228 MOD 18, accompanying Statement of Environmental Effects dated 18 May 2020, prepared by Cowman Stoddart Pty Ltd ~~(see Appendix 2P)~~, RtS ~~and amended plans~~ dated July 2020 ~~and the accompanying amended plans (see Appendix 2Q)~~.

This change includes a reference to appendix 2R (plans for mod 17), as well as retaining the original wording for Mod 18. Please let me know if you agree with these changes. I am free tomorrow morning if you would like to discuss further. I would appreciate it if you could confirm at your earliest convenience as we hope to issue the decision tomorrow.

Kind Regards,

Lindsey
