Commissioner Chris Wilson disclosed that he is engaged on an unrelated project for the NSW Government with an officer of the Department of Planning, Industry and Environment involved in the preparation of the Department's Assessment Report for this application. Commissioner Wilson has had no discussion with the officer of the Department regarding this matter and would only do so as part of any meeting between the Commission and the Department required as part of the Panel's process of deliberation and determination.

Professor Mary O'Kane AC (as Chair of the Commission) considered the above conflict of interest and determined the nomination of Chris Wilson to the Panel can proceed.

This register is made upon the nomination of Commissioners, to the determination or hearing panel. It may be updated if actual, potential, or perceived conflicts arise during the determination or hearing process.

For further information on conflicts, please see the Independent Planning Commission NSW policy on Personal Interests of Members, available to download from the Commission website:
