

CONFLICT OF INTEREST PROJECT REGISTER

This register of conflicts is specific to the project below.

Date: 12 April 2021

Project: Gateway Determination Review – 355 and 375 Church Street, Parramatta

Nominees:	Actual, potential, or perceived conflict:	Action:
Chris Wilson	Perceived	Proceed with nomination

Mr Wilson has declared that he has a professional working relationship on a separate project not before the Commission with Mr Josh Milston of JMT Consulting (a consultant working on behalf of the proponent for the Planning Proposal under review).

Apart from involvement in accordance with the Commission's policies and processes, they have no involvement with each other in relation to this matter.

Mary O'Kane (as Chair of the Commission) considered the above conflict of interest and determined the nomination of Mr Wilson to the Panel can proceed.

This register is made upon the nomination of Commissioners, to the determination or hearing panel. It may be updated if actual, potential, or perceived conflicts arise during the determination or hearing process.

For further information on conflicts, please see the Independent Planning Commission NSW policy on Personal Interests of Members, available to download from the Commission website:
