Subject: Objection to Harbourside Shopping Centre Redevelopment Darling Harbour (SSD 7874)
Date: Wednesday, 19 May 2021 6:45:42 PM

> Dear Sir/Madam,

>

> OBJECTION to MIRVAC's latest additional plans for Darling Harbour

>

> I have looked at the amendments that the IPC have made to reduce the total height of the roof top garden near the Pyrmont Bridge to make it a flat space lower than the Bridge and this is a good idea.

>

> I am 90 years old but fit and healthy and thoroughly enjoy walking around Darling Harbour because it is so open and flat.

>

> I have been shown a picture of the MIRVAC proposal for the northern podium which include many many stairs in the garden and I object strongly to this.

>

> Darling Harbour is a major tourist attraction for Sydney and the wants and needs for local Sydneysiders and our visitors should be the PARAMOUNT concern for Planners - not what the Developer wants

>

> Darling Harbour does not need more office or residential space, it is there for everyone to enjoy.

>

> If Deveopers always got what they wanted Sydney would be more of a concrete jungle than it already is.

>

> Please protect Sydney from their greed.

>

> Kind regards

>
