Subject: Mervac's amendment/proposed development

To whom it may concern,

I would like to express my concerns regarding Mervac's development.

I feel Darling Harbour is a tourist destination, not for office spaces.

I also believe there will be less retail outlets than is currently in use, not a good outcome. We want more tourist attractions not less, not huge shadow casting buildings.

The height of the Northern podium is way too high not to mention the proposed sky skyscraper and with the Historic Pyrmont Bridge being so close this will be extremely detrimental to our beautiful Bridge.

Darling Harbour is for the people, it's Sydney's playground, Sydney's backyard

Please don't destroy our beautiful and peaceful Darling Harbour with unnecessary office space and permanent living so close to our Harbour.

Darling Harbour is a huge tourists attraction, protecting it critical

Sincerely

G J Campbell
