

## MIGRATION OF HISTORICAL MINING & PETROLEUM GATEWAY PANEL CASE MATERIAL TO IPC WEBSITE

11 May 2021

This is a historical Mining and Petroleum Gateway Panel case.

As the Panel is now a subcommittee of the Independent Planning Commission, all material relating to historical MGP cases has now been migrated across from the Panel's previous website to this IPC page.

The dates that this case was referred to and completed by the Panel can be found on this project page.

Please disregard the publication date listed against each item. These dates only reflect when each item was uploaded to the IPC's website – not the date the item was originally made publicly available on the Panel's former webpage.
