Dear Ms Scott,

**Roseville College Sport and Wellbeing Centre (SSD 9912)
Questions on Notice**

I refer to the above application and the meeting with the Independent Planning Commission (**Commission**) on Thursday 13 May 2021.

As discussed at the meeting, the Commission requests the Applicant provide the following information:

Traffic and access:

- a) Clarify the proposed traffic management arrangements at the Recreation Avenue access to the site;
- b) Clarify how pedestrian movements (including student movements) will be managed along Recreation Avenue given the increased number of vehicles accessing the site; and
- c) Clarify Roseville College's views of a potential 'shared traffic zone' along Recreation Avenue.

The Commission notes that Recreation Avenue falls outside of the site boundaries and is managed by Ku-ring-gai Council.

Please ensure that the information listed above, is provided by **Wednesday, 26 May 2021**.

If you require any clarification in relation to the above, or wish to discuss further, please contact Ms Jane Anderson, [REDACTED] or (02) 9383 2100.

Yours sincerely,

Stephen Barry
Planning Director
