Mr Peter Duncan AM disclosed to the Chair of the Commission that he is an independent member of the WaterNSW Project Advisory Board (**Board**). The Board exercises advisory functions only and has no decision-making functions. The matters that the Board advises upon involve the procurement for and project management of certain WaterNSW projects, none of which are directly related to the Hume Coal Project or Berrima Rail Project. The Board does not advise WaterNSW on whether its projects should or should not proceed.

Professor Mary O’Kane AC (as Chair of the Commission) considered the above conflict of interest and determined the nomination of Mr Peter Duncan AM to the Panel can proceed.

This register is made upon the nomination of Commissioners, to the determination or hearing panel. It may be updated if actual, potential, or perceived conflicts arise during the determination or hearing process.

For further information on conflicts, please see the Independent Planning Commission NSW policy on Personal Interests of Members, available to download from the Commission website:
