Hi Brad,

We received the IPC's Request for Information (Rfi) dated 17th August (yesterday), and we are currently working to coordinate a response to the matters included in Attachment A.

In order to enable a comprehensive and detailed response to the 19 items, including the preparation of additional and more detailed plans as requested, we formally request a one (1) week extension of time until 5pm 27th August.

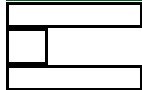

In advance of the comprehensive package of additional information, we would like to submit the attached Statement to the IPC, providing clarification of the matter discussed at the Applicant meeting on the issue of noise complaints. We respectfully request that the Commission substitute the attached Letter for the verbal statement made on the day of the meeting.

Kind regards,
