Hi Prity,

Thanks for your email.

I note that Page 2 of the Applicant's cover letter states: *"in response to the comments of the IPC and design development, the drawings include some updates compared to the version previously submitted to the Department of Planning, Industry and Environment (DPIE) and listed in draft condition A2. The updates have been clearly annotated in the Architectural Drawings at Appendix 2"*.

Can the Department please advise whether the updates referenced by the Applicant above are consistent with the Department's Assessment and recommendation before the Commission?

If you have trouble accessing the Architectural Plans, I have saved the documentation in OneDrive [here](#).

Regards,
