I'm am devastated we are once again battling over the expansion of this mine.

We, the people, do not want any more destruction of both European, but more importantly we do not want more destruction of indigenous heritage.

This expansion must not go ahead.

As Heritage NSW said in the meeting with the IPC, removing the building and mining the landscape 'diminishes' an "*opportunity for truth-telling and it diminishes the opportunity for us to come together as Aboriginal and non-Aboriginal people that live in this country*".

They say "*if we keep dismantling these cultural landscapes we won't have the opportunity to share ... stories*" that need to be shared.

I agree with these statements 100%.

Please do not go ahead with this mine expansion.

Kind regards
