Dear Mr Barry

**Glendell Continued Operations Project (SSD 9349)
Additional Information Requested by the Independent Planning Commission**

I refer to your recent correspondence dated 6 April 2022 seeking clarification around the “*development of Heritage NSW’s position as described in the Department’s whole-of-government assessment of the Project*” following a recent meeting between Heritage NSW and the Independent Planning Commission (the Commission).

Please be advised that the Department is currently engaged in further consultation with Heritage NSW in relation to its advice regarding potential heritage impacts associated with the project. The Department will provide a detailed response to the questions posed by the Commission, once Heritage NSW has provided its additional advice and the Department has considered the additional information.

If you have any questions or wish to discuss further, please contact me on [REDACTED] or by email at stephen.odonoghue@planning.nsw.gov.au.

Yours sincerely,
