**Subject:** Glendell Continued Operations Project (SSD 9349 & SSD 5850 Mod 4)

Dear Ms. Harrison,

We wholeheartedly support the Project to relocate Ravensworth Homestead to become the Centerpiece of the proposed Broke Village Square. This is a wonderful opportunity to create a spectacular development which will benefit an already thriving Community rather than be left isolated in the middle of a coal mine and remain inaccessible to the public at large.

Sincerely,

**Richard & Dorothy Chalmers**
