

## PYMBLE LADIES COLLEGE - GREY HOUSE PRECINCT (SSD-17424905)

8 September 2022

The Independent Planning Commission Panel appointed to determine the State Significant development application for the proposed Pymble Ladies College - Grey House Precinct (SSD-17424905) advises that the Public Meeting scheduled for Monday 12 September 2022 has been cancelled due to a low number of speaker registrations.

Instead, the Commission is in the process of contacting those who registered to speak at the public meeting in order to set up individual meetings with the Panel to allow those people to have their say on the Project directly to the Panel. In accordance with the Commission's [Transparency Policy](#), the Commission will publish transcripts of those meetings.

The Commission is also accepting written submissions on the Project. If you want to have your say, you can submit your comments in writing to the Commission via email, post or our online portal: <https://www.ipcn.nsw.gov.au/have-your-say>.

The deadline for written submissions is **5pm AEST on 19 September 2022**.

The Commission also wishes to correct an error in its previous media release, dated Wednesday 24 August 2022, regarding the Commission's consideration of the present case. The Commission confirms that the Application has been referred to the Commission as Kuring-gai Council has made a submission to the Department on the Application by way of objection – not, as previously stated, because of more than 50 objections having been made in respect of the application.
