Notice of change of arrangements for the conciliation conference 21 March 2024

The Court has listed this appeal for a conciliation conference on 21 March 2024.

The conciliation conference will commence at 10.15am, but not at the Glendarra Room of Tocal College, as previously advised.

In view of the number of enquiries made to Tocal College by members of the public about attending the public part of the conciliation conference, it will now take place at Tocal College Hall, 815 Tocal Road, Paterson. There will be a sign on the road to guide you to the hall.
