If this expansion goes ahead this will cause devastation to peoples mental health .The people of Martins creek Paterson East Maitland Bolwarra are worried for there safety.Kids get on buses on these narrow roads .There will be blood on someone's hands if this is approved.I'm over the ridge from the quarry and my family drinks the tank water off our roof .When Darrcon was operating the dust on my windows was disgusting so that's our drinking water .Don't let a greedy company win .Loretta Sent from my iPhone
