Dear sir/madam

Please do not sell your soul and with that the safety of every person travelling to Paterson or everyone in Paterson . 20 trucks an hour is a truck about every 6 min, travelling on a road already full of potholes , a rail crossing as well as narrow passage through Paterson with a 90 degree bend where it is not physically possible for a truck and dog to turn without using both lanes. If you approve this monstrous development, you will have blood on your hands in future as it's only a matter of time before there will a death on the road. I live in Paterson , please do not kill it.

Regards  
Marius
