McPhillamys Gold Project (SSD 9505) - Extension of Time for Determination

Dear Dr McLean

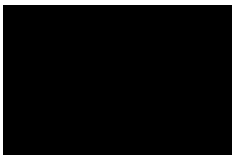

Thank you for your correspondence to the Planning Secretary of the Department of Planning and Environment (Department) requesting an extension of the determination date for the McPhillamys Gold Project (project). The Planning Secretary asked me to respond on his behalf.

The Department understands that the Independent Planning Commission (Commission) requests the 12-week deadline for determination of the project be extended by three weeks (until 3 March 2023) due to unforeseeable circumstances that resulted in adjourning the project’s public hearing from December 2022 to February 2023.

The Planning Secretary agrees to provide the Commission an extension of the determination date for the project to 3 March 2023.

If you have any questions, please contact me on [REDACTED] [REDACTED] [REDACTED] or at [REDACTED]

Yours sincerely,

Steve O’Donoghue
