

Ethan Finn

212 Rocket Street Bathurst NSW 2795

My name is Ethan, I love to visit at the farm. I like to throw rocks in the dams and swim with my dog Lulu. We love to go on walk with Nanny and Poppy and see the birds, rabbits foxes and kangaroos. We fly kites and ride our bikes all over the farm. My mum says if they build a mine on the other side of the hill we probably won't be able to spend much time at the farm anymore. I font think there should be a mine beside the farm.
