

My name is Quinn Church, I am 7 years old. I attend Assumption school in Bathurst. My grandparents own a property on Pounds Lane next to the proposed mine site. We don't think Regis should be able to build a gold mine and processing plant so close to so many people. My sisters and I love going to the farm even though some of the neighbours I played with have moved away. Mum and Dad say if the mine goes ahead we probably won't be able to visit as much. Blair and I get asthma and Dad says there will be dangerous dust in the air depending on which way the wind is blowing. I don't think it is fair to put a gold mine so close to people.
