

CONFLICT OF INTEREST PROJECT REGISTER

This register of conflicts is specific to the project below.

Date: 7 November 2022

Project: Alterations and Additions to President Private Hospital SSD-10320

Nominees:	Actual, potential, or perceived conflict:	Action:
Ms Dianne Leeson (Chair)	Nil	Proceed with appointment
Ms Helen Lochhead	Nil	Proceed with appointment
Professor Richard Mackay AM	Perceived Conflict	Proceed with appointment

Professor Mackay informed the Commission Chair that he has previously worked on an unrelated matter involving one of the applicant's consultants. Professor Mackay had no commercial relationship with those consultants. Professor Mackay also informed the Commission that he sits on two committees of an NGO with, among others, an employee of the heritage consultant engaged by the Department of Planning and Environment to advise about this application. Professor Mackay is not a close colleague of this heritage consultant. Prior to 2012, Professor Mackay was a colleague of one of the Department's heritage consultants at a consultancy not presently involved in this matter.

The Commission Chair has determined that Professor Mackay's professional acquaintances fall within the category contemplated in the Commission's Conflicts of Interest Policy as, 'Given the depth of experience of Commissioners in their respective fields, some previous or current acquaintance with an applicant's consultant is expected'.

The Commission Chair has determined that no actual, potential or perceived conflict of interest arises that would prevent Professor Mackay's appointment to the present Panel.

Updates after project commencement:

This register is made upon the nomination of Commissioners, to the determination or hearing panel. It may be updated if actual, potential, or perceived conflicts arise during the determination or hearing process.
