Subject: Proposed destruction of Hotham House Kirrawee

Dear Sir/Madam,

As a long-term resident of Sutherland Shire, I wish to voice my opposition to the proposal to demolish Hotham House at Kirrawee. This property is gazetted as a heritage item in Sutherland Shire Local Environmental Plan 2015 with good reason, and this fact alone should be sufficient to reject the proposed demolition. I also note that the proposed development will feed traffic directly to and from President Avenue - one of the busiest roads in the Sutherland Shire. This is yet another reason why this proposal must be rejected - this demonstrates scant regard for the welfare of the thousands of road users as well as any person trying to enter or leave the proposed hospital extension.

Regards,
Gary Lloyd
