

27 March 2023

Stephen O'Donoghue  
Director Resource Assessments  
Energy, Resources and Industry  
Department of Planning and Environment

via email: [REDACTED]

Dear Stephen,

**Bowdens Silver Project  
Request for Comment – Recommended Conditions of Consent**

I refer to the State significant development application for the Bowdens Silver Project (SSD 5765) (**Application**), currently before the Independent Planning Commission (**Commission**) for determination.

The Commission is considering the imposition of the attached conditions of consent for the Application (**Attachment A**) should it determine to approve the Application. The Commission seeks the Department's advice on the workability, enforceability and any potential unintended consequences of the proposed conditions.

Could you please provide the Department's advice by **5pm on Wednesday, 29 March 2023**, unless an extension to this timeframe is requested and agreed to by the Commission.

This letter and your response will be made publicly available on the Commission's website immediately following the publication of the Commission's determination of this Application.

Should you require any clarification in relation to the above, or wish to discuss further, please contact Phoebe Jarvis via [REDACTED] or [REDACTED]

Yours sincerely,

[REDACTED]

Stephen Barry  
Planning Director
