To IPC,

Dear Sir/Madam,

The Bowdens Silver Project, which was acquired by Silver Mines in 2016, and located near Mudgee in NSW is not only an important part of Silver Mines' future, but also a major asset to the state, and Australia. It is the largest undeveloped silver project in Australia and one of the largest in the world with almost 320 million ounces of silver equivalent. The mine's 23-year life is of great significance and value to NSW, this project will provide long-term employment, training, and business opportunities to Rylstone, Lue, Kandos, and Mudgee as well as the broader Mid-Western Regional area of NSW, and Australia. This is an important project. Please allow this project to advance and go ahead, for the sake of NSW and Australia.

Yours sincerely

Angela Davis
