Objection (I am making a submission that objects to this proposed development going ahead)

Submission:

China takes 1 week/^{10 days} to build a hospital during covid in Feb. 2020.

We^{can} take 3 years to get a DA approval

We really have become a hopeless ~~NANNY~~ country, and a joke.

This project will be good for Mudgee, it will be good for NSW and it will be good for Australia.

It has been approved by the DPE and now it should be approved immediately by the IPC.

I am 82 years old, my ancestor came out here in 1810 as aide-de-camp to Governor Macquarie. I was a proud Australian, now I despair.
