Subject: Bowden's Silver Project

Dear Sir/Madam,

I am writing in support of the Bowden's silver project as I feel it will bring employment and investment opportunities into the Mudgee area and will be a significant asset to the state.

Furthermore it is the largest undeveloped Silver project in Australia and as such will bring much needed investment in to the area for many years to come.

Please consider this proposal on its merits.

Best Regards

Darren Kitchen | Service Director

A promotional banner for Abacus dx technical support. The left side has a teal background with the Abacus dx logo and tagline. Below this, it says "For technical support contact our technical team on AU 1800 222 287 | NZ 0800 222 170" and includes a teal button with the text "Technical Support Form →". The right side of the banner features a photograph of a smiling female customer service representative wearing a headset, sitting at a desk with computer monitors.
