Re: Postal Public Submission in relation to Bowdens Silver Project (SSD 5765)

Support (I am making a submission that supports the conditional approval of this proposed development)

Neutral (I am neutral about this proposed development and am providing comments for consideration)

Objection (I am making a submission that objects to this proposed development going ahead)

Submission:

I am only a small cog in the wheel and support conditional approval of proposed development.

This will encourage employment, business in country areas to establish and grow towns for our youth and take pressure off our coastal areas.

Study underway for potential underground mining opportunities is significant also in my way of thinking but only a women's point of view as to effect on area.

Sincerely Elizabeth Dray.
