Submission: Dear Mr Duncan,

I am supportive of Bowdens Silver Project for the following reasons:

- it will provide a significant injection of capital into the N.S.W economy;
- it will generate new interest in N.S.W base and precious metals projects - particularly investors, banks, governments at all levels and of course individuals who directly and indirectly are involved in the project.
- Silver is a critical element in a range of industries that need it to produce products which ultimately will reduce the need for fossil fuels.

Yours faithfully
J Oakes. 9/02/2023.
