Support (I am making a submission that supports the conditional approval of this proposed development)

Neutral (I am neutral about this proposed development and am providing comments for consideration)

Objection (I am making a submission that objects to this proposed development going ahead)

Submission:

At a time in the world when silver and other commodities are reaching a critical shortage this is one project among many Australia needs now.

Mined in an environmentally manner this will support jobs and much needed commodities for years to come.
