Dear Dir/ Madam,

It's my honour to write an email to you: an integrity, high standard committee.

I live in Melbourne, but I am very keen for Gold, Silver mines in this country. Bowdens Silver Project will provide a big catch up to Latin America countries on Silver production and bring a lot benefits to local people.

Silver Mines Limited is very conservative and decent on environment for this project. And I have confidence in their management.

Thank You for you listen to me

Yours Sincerely

Mark Qiu
