To the IPC of NSW,

I would like to add my voice as a shareholder in Silver Mines Ltd to the general support there is for the concept of an Australian resource , close to population centres being mined to produce metal which is vital to the greening of our energy sector.

That is why my company is an investor in this fledgling company and why I trust you will view favourably and grant the planning approval sought for this vital project.

Yours faithfully  
MAryanne Roberts  
Secretary
