Re: Postal Public Submission in relation to Bowdens Silver Project (SSD 5765)

- Support** (I am making a submission that supports the conditional approval of this proposed development)
- Neutral** (I am neutral about this proposed development and am providing comments for consideration)
- Objection** (I am making a submission that objects to this proposed development going ahead)

Submission:

I would like to support the Bowden Silver project by Silvermines Australia. I believe it should be strongly considered a critical resource with uses in many industries - the green economy on a wide range of products electric cars - electronics, solar panels medical uses for silver. Also as a benefit to local state economies this precious mineral is critical to all the above uses.
