Re: Postal Public Submission in relation to Bowdens Silver Project (SSD 5765)

Support (I am making a submission that supports the conditional approval of this proposed development)

Neutral (I am neutral about this proposed development and am providing comments for consideration)

Objection (I am making a submission that objects to this proposed development going ahead)

Submission:

re Bowdens Silver project
To whom it may concern,
I wish to support this project
whole heartedly, due to silver being
a critical resource to be used in the
electronics of solar, cars, electric
medical uses and other technologies, that
are beneficial to science, the environment
areas.
Of course it is beneficial to local
economics as a flow on in developing
this critical resource.
