Re: Postal Public Submission in relation to Bowdens Silver Project (SSD 5765)

Support (I am making a submission that supports the conditional approval of this proposed development)

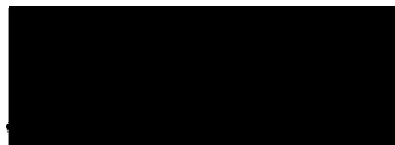

Neutral (I am neutral about this proposed development and am providing comments for consideration)

Objection (I am making a submission that objects to this proposed development going ahead)

Submission:

My support depends on:

- 1. Local community support including evidence that Bowdens are already well connected to a range of community organisations,*
- 2. Environmental work is already well under way;*
- 3. Proper process has been followed at the local, state & national levels.*
- 4. The ore body is sufficient to make an impact locally & at state and national levels.*
