Submission:

Dear Sir / Madam,

The Bowdens Silver Project is the largest undeveloped silver project in Australia and one of the largest globally.

Development of the bowdens silver project does not only benefit the local community as a whole particularly creating massive job opportunities to combat the high-inflation and high-interest economy but also showcase to the world the great silver resource we have here in Australia as large silver deposits were traditionally mined in North America.

As such, I'm in support of approval of this proposed development.
