Re: Postal Public Submission in relation to Bowdens Silver Project (SSD 5765)

**Support** (I am making a submission that supports the conditional approval of this proposed development)

**Neutral** (I am neutral about this proposed development and am providing comments for consideration)

**Objection** (I am making a submission that objects to this proposed development going ahead)

Submission:

Silver is a critical mining mineral for the production of Solar panels ;

Australia does not produce enough silver to satisfy our needs .

This project is important for a greener future

The price of silver will be 10 times what it is now by 2030.
