Subject: Silver Mines Limited's, Bowdens Silver Project

To whom it may concern,

As a shareholder and avid supporter of SVL Silver mines Limited, I'd like to register my support of this wonderful project.

As a hobbyist prospector, and former NSW coal train driver I have had the pleasure of viewing the site where the Bowdens Silver mine will be.
I spent a great deal of time in and around scenic Mudgee as I regularly visited for work and to fossick for gold.

I have also had the pleasure of meeting the company environmental officer, Tom Purcell – through a work colleague.
I have the highest confidence everything will be done to the highest standard.

I think this project will also have great economic and financial benefits for Lue, Kandos, Rylestone, the wider Mudgee community, NSW and Australia as a whole.

I look forward to seeing Bowdens mine get final approval and delivering the many benefits going forward.

Thank you for accepting my submission of support.

Warm regards,

Scott Boehm
