

## Bowdens Silver Project (SSD 5765)

10 March 2023

On 9 March 2023, the Independent Planning Commission received a response from the Department of Planning and Environment to questions that were asked by the Commission Panel for the Bowdens Silver Project in a letter to the Department dated 1 March 2023 (linked [here](#)).

The Panel has decided not to seek further submissions on the response provided by the Department and its annexures. The response to the Panel's questions refers to material already before the Panel that was also publicly available to interested stakeholders during the submission period.
