

# REALITY CHECK

## WE NEED YOUR HELP!

An increasing number of people in the Northern Rivers are under real stress, with more and more people becoming homeless or displaced due to the housing affordability crisis and sharply rising rents. This is a serious issue and we need to recognise and positively address this crisis together.

We have an opportunity here to make a difference, to help people get back on their feet again.

## PLEASE GIVE TODAY

to the Northern Rivers Community Foundation Housing Fund

Helping our community respond to the local housing crisis

[nrcf.org.au/nrcf-housing-fund](http://nrcf.org.au/nrcf-housing-fund)

All donations over \$2 are tax deductible
