Department of Planning and Environment

Dear Keiran,

**Advertising Signage, 150 Cormorant Road, Kooragang (DA 22/8565)
Request for Information**

I refer to the above development application, currently before the Independent Planning Commission (**Commission**) for determination.

The Commission met with Barr Planning on 13 December 2022 to discuss the subject development application. Barr Planning has responded to the Commission's questions on notice from that meeting (enclosed). This response states that, contrary to the Department's Assessment Report:

- the Applicant is 'BARR PROPERTY AND PLANNING PTY LTD'; and
- neither Barr Property and Planning Pty Ltd nor oOh! Media (the Applicant as identified in the Department's Assessment Report) have made a reportable political donation within the last 2 years.

As the above points are directly relevant to the delegation of the Minister for Planning's consent authority functions to the Commission for this development application, the Commission would be assisted by the Department's urgent response as to whether the Commission is the correct consent authority for the application.

Should you require any clarification in relation to the above, or wish to discuss further, please contact me at stephen.barry@ipcn.nsw.gov.au or on 0400 323 047.

Yours sincerely,

Stephen Barry
Planning Director
