Dear Mr Kane,

**Glenellen Solar Farm  
Questions on Notice**

I refer to the State significant development application for the Glenellen Solar Farm (SSD-9550) (**Application**), currently before the NSW Independent Planning Commission (**Commission**) for determination.

The Commission is seeking comments from Greater Hume Council (**Council**) on the Department of Planning and Environment's recommended conditions of consent for the Glenellen Solar Farm project. The Commission would be assisted by Council's comments on the recommended conditions including, but not limited to:

- accommodation and employment;
- waste management;
- community enhancement (Voluntary Planning Agreement); and
- transport arrangements (road upgrades, road maintenance, the proposed site access route, heavy vehicle restrictions, and the requirements of the future Traffic Management Plan).

The Commission requests that Greater Hume Council provide a response by **Friday 10 November 2023**.

Should you require any clarification in relation to the above, or wish to discuss further, please contact Jane Anderson, Principal Case Manager, [REDACTED] or (02) 9383 2127.

Yours sincerely,

**Stephen Barry**  
Planning Director
