

CONFLICT OF INTEREST PROJECT REGISTER

This register of conflicts is specific to the case below.

Date: 18 October 2023

Case: Glenellen Solar Farm (SSD-9550)

Nominees:	Actual, potential, or perceived conflict:	Action:
Dr Sheridan Coakes (Chair)	Perceived	Proceed with appointment
Mr Adrian Pilton	Nil	Proceed with appointment
Dr Bronwyn Evans AM	Nil	Proceed with appointment

Dr Coakes informed Professor Menzies (in his capacity as the Commission Chair's nominee) that the practice she leads in a private consultancy is carrying out social impact assessment on behalf of other renewable energy projects in Australia. Dr Coakes has had no professional involvement with the present application and none of the other renewable energy projects she is involved in are being carried out by the present applicant. On that basis, Professor Menzies, as nominee of the Commission Chair, has determined that there is no conflict of interest that precludes Dr Coakes from being a member of this Panel.

Updates after project commencement:

This register is made upon the nomination of Commissioners, to the determination or hearing panel. It may be updated if actual, potential, or perceived conflicts arise during the determination or hearing process.
