Case: Bowmans Creek Wind (SSD-10315)		
Nominees:	Actual, potential, or perceived conflict:	Action:
Professor Alice Clark (Chair)	<i>Professor Clark informed Professor Menzies (in his capacity as the Commission Chair's nominee) that she is a member of the executive leadership team of an Institute that has previously carried out work on projects for a consultant engaged by the present applicant. That work was undertaken overseas and concluded more than 3 years ago and was not related to the present application. Professor Clark had no direct involvement with those projects. On that basis, Professor Menzies, as nominee of the Commission Chair, has determined that there is no conflict of interest that precludes Professor Clark from being a member of this Panel.</i>	Proceed with appointment
