

CONFLICT OF INTEREST PROJECT REGISTER

This register of conflicts is specific to the case below.

Date: 14/12/23

Updated: 20/2/24

Case: Hills of Gold Wind SSD-9679

Nominees:	Actual, potential, or perceived conflict:	Action:
Ms Clare Sykes (Chair)	Nil	Nil
Ms Juliet Grant	Nil	Nil
Mr Duncan Marshall AM	Mr Marshall informed Professor Menzies (in his capacity as the Commission Chair's nominee) that he has previously carried out work on a project that involved consultants engaged by the present applicant. That work related to a different project to the present application and did not involve the present applicant. On that basis, Professor Menzies, as nominee of the Commission Chair, has determined that there is no conflict of interest that precludes Mr Marshall from being a member of this Panel.	Proceed with appointment

Updates after project commencement:

After commencement of the matter, Mr Marshall became aware that lawyers engaged by the applicant had previously engaged expert advice from Mr Marshall on another matter, again relating to a different project which did not involve the present applicant. Professor Menzies has determined that no conflict of interest arises that precludes Mr Marshall from continuing on the Panel.

This register is made upon the nomination of Commissioners, to the determination or hearing panel. It may be updated if actual, potential, or perceived conflicts arise during the determination or hearing process.
