Dear Ms Sexton

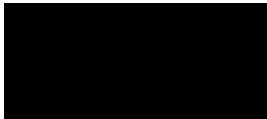

I refer to your email regarding clarification of information provided to the Independent Planning Commission (IPC) about State Heritage Register nominations and 34 Flood Street, Bondi.

I can confirm that all 43 of the nominations received over the past three calendar years, along with the related preliminary assessments conducted by Heritage NSW, have been considered by the Heritage Council of NSW. I confirm that of these 43 nominations, the Heritage Council of NSW progressed 21 for further assessment and the remaining 22 were not progressed.

I can also confirm that 12 of the 21 nominations which were progressed for further assessment are still under assessment and a recommendation or listing decision has not been made.

If you have any further questions about this issue, please contact Alexandra Boukouvalas, on 02 9873 8500 or at heritagemailbox@environment.nsw.gov.au.

Sincerely

Matthew Clark
