Updates after project commencement:

Mr Mills has disclosed that his self-managed superannuation fund holds shares in a company that has an owner in common with the corporate parent of the applicant for this matter.

To the best of Mr Mills's knowledge and that of the Commission, the outcome of the present matter has no reasonable likelihood (and Mr Mills has no expectation) of financial loss or gain to Mr Mills or the company in which Mr Mills's fund owns shares.

On that basis, Mr Mills in his capacity as Chair of the Commission has decided that no actual, perceived or potential conflict of interest arises that prevents him from forming part of the present Panel.

This register is made upon the nomination of Commissioners, to the advice, determination or hearing panel. It may be updated if actual, potential, or perceived conflicts arise during the advice, determination or hearing process.
