*This is NOT THE RIGHT SITE. This abomination of a proposal with affect the whole Wingercarribee Shire in a detrimental way. Air pollution, water pollution just to name 2 of the most important issues. As a resident for over 60 yrs i would hope the integrity & liveability of my town would not be lost on those who follow me. The idea that that this would be of any benefit to our area or our state astonishes me & my family. I recall my daughter asking me some years ago when we initially starting fighting this proposal, " Daddy, will i be able to play outside if this thing happens"? " let's hope it doesn't come to that was my reply. I, on behalf of my family & my community are categorically opposed to this development. Thankyou*
