Submission ID: 207591

Organisation: N/A	Key issues: <i>Visual impacts, design and landscaping, Traffic, Other issues</i>
Location: <i>New South Wales 2576</i>	
Attachment: N/A	

Submission date: 10/24/2024 6:29:42 PM

*This has facility is stated to not only recycle plastics (which would be beneficial) but to also produce virgin plastics, and considering the depletion of plastic reagents like oil in the near future, as well as the environmental and public health impacts additional plastics will have, it is incredibly unwise to authorise such a facility, not to mention additional carbon emissions due to its production of polymers.*
