Organisation: N/A	Key issues: <i>Land use compatibility (surrounding land uses)</i>
Location: <i>New South Wales 2576</i>	
Attachment: N/A	

Submission date: 10/24/2024 6:24:30 PM

*The proposed plastic processing plant will have ongoing impacts for the community. It has the potential to affect our water supply, air quality and local flora and fauna. The proposed company has reportedly been shown to have failed environmental requirements in their parent country of ****. It is too risky to put such a development so close to our community and residential areas.*
