This is the most outrageous proposal since the proposed coal mining in the Wingecarribee Shire.

As the delta to the Nepean River (AKA SYDNEY WATER) starts in this shire, and microscopic ground plastic cannot confidently be contained, the absolute stupidity of this development is beyond questionable and frankly should be investigated on every level.

Within 200 meters of a private home - NOT A BUFFER

Pollution & Traffic

Have not been considered, seriously who is being paid off to try & slip this one through?
